A Message for SD50 (Haida Gwaii) Parents & Guardians:

Dear Parents and Guardians

In these difficult times School District 50 (Haida Gwaii) is taking precautionary measures to help in the prevention of COVID-19 in all of our communities. One of these measures is closing all playgrounds, basketball courts and weight rooms to public use until further notice. Signs will be placed at all applicable sites as a reminder.

Please stay safe and continue to follow the preventive measures recommended by the Provincial Health Officer during this global pandemic.

Haawa,
