

SCHOOL DISTRICT NO. 50 HAIDA GWAI BOARD POLICY MANUAL

Policy: C.10**NAMING OF SCHOOL FACILITIES OR PARTS OF FACILITIES****Date Passed: June 2023**

The Board recognizes that naming a school is an important process critical to creating a sense of community, a sense of belonging and creating an opportunity to honour the land on which it is located.

A school name also fosters a unique identity for families, students, and staff, and the process of finding a name must be a respectful and inclusive process.

The Board is honoured to take responsibility for the naming and renaming of schools, facilities, or parts of schools and facilities (library, gymnasium, band room, etc.).

The Board will follow the procedure outlined herein to name or rename school facilities. To ensure a facility name stands the test of time, it must reflect the spirit and intent of the Board's commitment to high standards and the wellness of the community.

Names may honour persons or places of historical or geographical prominence, represent the intent of the school, or reflect an educational value or interest. However, school facilities will not normally be named after living persons.

Although school facility names are the board's responsibility, it is important that the board follow a naming procedure that considers suggestions by a committee as per the procedures below.
