

## **FEBRUARY 2025 SUPERINTENDENT REPORT**

### **COMMUNITY WIDE Updates**

#### **PCE Community input Meetings**

I would like to thank the staff, parents, and community of Port Clements for taking the time to meet with me over the past two months regarding the PCE Configuration Review that I'll be presenting this evening. This is a challenging topic and so many people have taken time to attend meetings and take calls with me to help inform this process. Haawa everyone.

### **STRATEGIC PLAN Updates**

#### **Student Learning Surveys (Ministry of Education and Child Care)**

I'd like to make this second reminder that the [2024/25 Student Learning Survey \(SLS\)](#) for students in grades 4, 7, 10, 11, and 12 is now open for students, parents, and staff. The survey takes about 30 minutes to complete. Student and staff surveys are available in English and French. Parent surveys are available in 18 additional languages. The survey remains open until May 2, 2025. Thank you to everyone who takes the time to complete this important survey. Our district uses these results to guide our strategic planning.

#### **Early Learning Award**

I would like to give a quick shout out to Janine Wilson whose work in Early Learning is being recognized with an ECE Childcare Recognition Award through BC Aboriginal Childcare Society. She is one of four recipients of this award. Janine will be attending their conference this week and receiving her award there. She will join our Board meeting again in April where she can share more details and give all of us an opportunity to recognize and give thanks to her. At the next meeting I'll also share an excellent video describing the PALS Program in the unique way she has created it.
